

## ROADSIDE ASSISTANCE

In addition to the mechanical breakdown coverages, RV Advantage comes with Roadside Assistance available to you 24 hours a day, every day of the year throughout the US and Canada for the duration of the agreement. This Roadside Assistance provides you benefits such as:

Lockout Services

Towing

Flat Tire Changes

Winching

Emergency Fuel Delivery    Technical Assistance

Battery Jump

Mobile Mechanic

## THE TOTAL ADVANTAGE EXPERIENCE

RV Advantage is dedicated to providing consumers with the most extraordinary experience in the industry. As part of this dedication to efficiency, claims are paid directly to the repair facility by check or credit card, and repairs can be made at any authorized licensed repair facility in the US or Canada.

## RV ADVANTAGE: VEHICLE SERVICE AGREEMENT

### Protection for your recreational vehicle or towable

You purchased your recreational vehicle to go the distance on the open road for years to come, but the manufacturer's warranty only stays with you for so long.

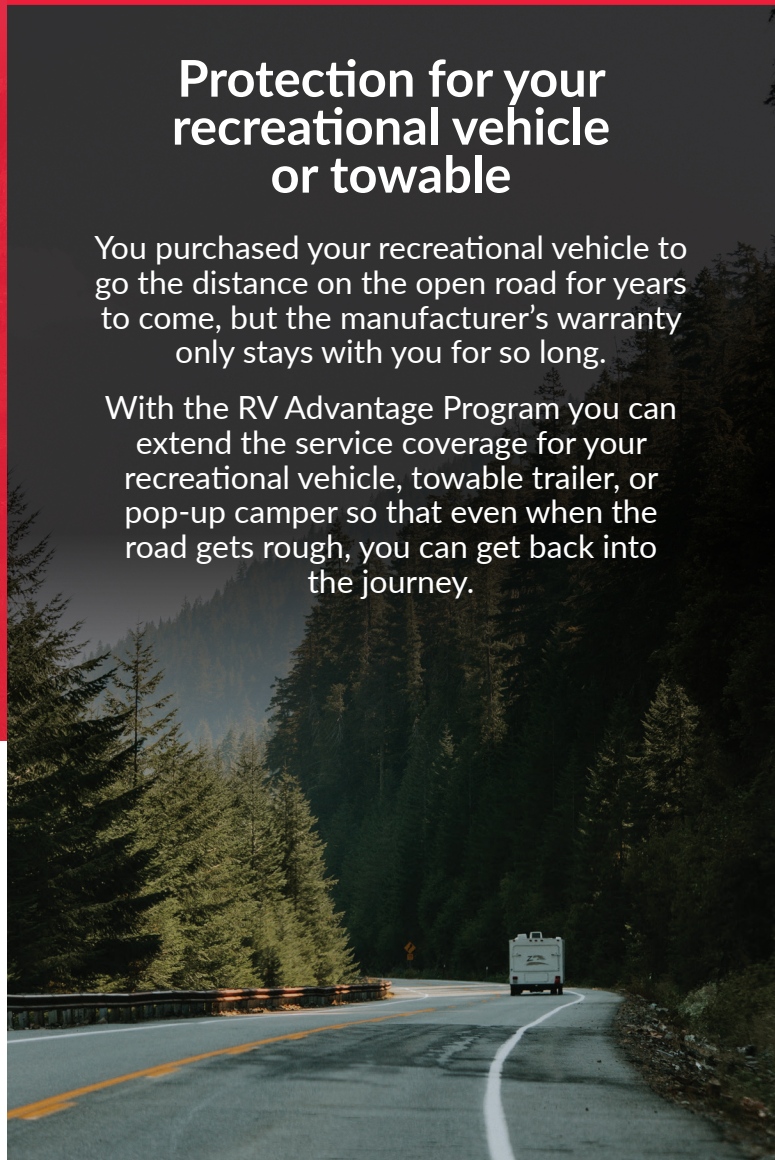

With the RV Advantage Program you can extend the service coverage for your recreational vehicle, towable trailer, or pop-up camper so that even when the road gets rough, you can get back into the journey.
