This contract applies to off-road use ATV's and UTV's only. The contract provides coverage for flat tire repair and/or tire and wheel replacement when tire and/or wheel is damaged beyond repair and has at least 3/32 inch tread depth remaining. Wheel must be damaged so that it is unable to seal with the tire resulting in air loss. Registered owner will be covered for the reasonable cost of a new tire and/or wheel, including mounting, new valve stem and sales tax as shown on sales invoice. Notice: Wheels will be repaired whenever possible. Unrepairable wheels will be replaced with wheels of like kind and quality of the original vehicle's wheels.

Limitations and exclusions apply. The Tire & Wheel Protection product is optional and is not insurance. Please refer to the application product agreement for details of terms and conditions.
