In the event of the sale of your vehicle and you desire to transfer the Vehicle Service Contract to the new owner, please complete this form, sign it, and send it to the Administrator listed above (and include the applicable transfer fee). Please note the following important information:

1. This Contract can be transferred only once. This transfer must be initiated by the original Contract Holder and CANNOT be made if the title transfer passes through an entity other than the subsequent buyer (i.e., the Vehicle is traded in on the purchase of another vehicle at the dealership, or entity/individual in the business of selling automobiles, or in the event of the vehicle is repossessed by the lienholder). A copy of the "Bill of Sale or Title Transfer" may be required to complete the transfer.
2. The transfer of the Vehicle Service Contract must be accomplished within thirty (30) days of the sale of Your Vehicle.
3. Any remaining factory warranty MUST also be transferred at the same time. Future claims will be adjusted on the basis that the remaining factory warranty was transferred, whether or not this was accomplished. Failure to do so could result in the limitation or denial of claims.
4. All maintenance records showing correct oil changes and factory maintenance MUST be given to the new owner. These maintenance records MUST be retained along with similar documentation for future maintenance work which the new owner has performed in accordance with the Maintenance Requirements of the Vehicle Service Contract. If necessary, these documents will be verified by the Administrator at the time a claim occurs. Without these records claims coverage could be limited or denied.
5. Please check the Transfer Section of the Vehicle Service Contract for Your fee amount and any additional transfer provisions that may be required by the Contract. If a transfer fee is required it must be submitted with this transfer form. Checks should be made payable to the Administrator as listed on the Registration Page of your Vehicle Service Contract.
6. If a balance is owed on this Contract to a premium finance company the original Contract Holder and the subsequent Contract Holder must make arrangements with the premium finance company to transfer the balance due on this Contract to the subsequent Contract Holder. This Contract transfer is contingent on the proper registering and acceptance of the balance transfer with the premium finance company. If the balance transfer is not accepted the premium finance company may cancel this Contract.
7. By your signature below you acknowledge the foregoing.
